Sail On

*Final song sung by all at graduation
Sunday, 7/26*

VERSE 1 (Graduates):

So swift the seasons fly
Year upon year in the blink of an eye
(You're) all set to sail
let the journey begin
Draw up the anchor
and welcome the wind

CHORUS (ALL):

Sail on, you clear-eyed sailor
Out across the sea
Sail beyond the wide horizon
Until you find your dreams
Still I hope from time to time
You'll sail on home to me

Ooo, ooo
Still I hope from time to time
You'll sail on home to me

VERSE 2 (Graduates):

Starlight be your guide
Tracing your path
Cross the map of the sky
Sail on far and wide
Trusting the song
That you carry inside

CHORUS x 2 (ALL):

Ooo, ooo
Still I hope from time to time
You'll sail on home to me

Deep Roots

*Processional sung by graduates
Sunday, 7/26*

LAYER 1:

Deep roots and together
We rise, oh...

LAYER 2:

Oh I feel the pulse of the earth
And the sky...

LAYER 3:

Oh I tune my heart
To what's good, true, and wise...

LAYER 4:

Through the haze
I lift my eyes
